

## Department of Geography Graduate Student Request for Funding

The Department of Geography offers a limited number of teaching assistant (TA) positions to continuing graduate students. Department TA support is available for up to two years for Geography MS students and up to three years for Geography PhD students. Individual faculty may offer research assistant (RA) or graduate assistant (GA) positions for students with specific skill sets, and DIGIT may offer GA funding to students with strong GIS skills. Please fill out this form to request TA, RA, or GA support for next academic year, and e-mail it to [pam.mitchell@geog.utah.edu](mailto:pam.mitchell@geog.utah.edu) no later than January 20.

Name:

Requesting support as (check all that apply):      TA              Faculty-supported RA/GA              DIGIT GA

Funding source this academic year:

Advisor for next academic year:

Relevant teaching/research skills and experience. If you have been instructor or TA for previous courses, please list those courses.

If you have arranged RA or GA funding for next academic year with a Department faculty member, DIGIT, or another source, please describe this arrangement.

Plans for next academic year that may impact your availability as a TA, RA, or GA. Also provide your expected degree defense date.

Please list the names of three Department of Geography faculty who can provide a recommendation on your behalf. These faculty may be contacted by the Department to submit a formal or informal recommendation.
