Wasatch is looking for writers who would like to create content for our publication! Our goal is to share stories about the ways that people engage with landscapes of the Wasatch and beyond. Through our outdoor content, we hope to foster values related to adventure, community, diversity, well-being, kindness, and care for the environment. This is a great opportunity for deeper engagement with outdoor topics, to be published in a magazine, and to meet other like-minded students!

Please reach out with any questions to the editor (Colby, c.child@wasatchmag.com).
